Charities and Community

Did you know that Guilsfield Show is a charity fund raising event? Guilsfield Show is self-funding and relies on the enormous support of our local community and show visitors to continue each year. Our show costs are covered by our entrance fees, profit from our social functions and the generous support of our sponsors. All our committee members are volunteers, and we are also supported by many members of our local community. If you want to get involved in the show don't hesitate to get in touch with our show secretary Fiona.

In addition, Guilsfield Show aims to raise money for charitable causes each year and part of the Presidents' role is to nominate the charities for that year. In 2024, our presidents Sue & Lloyd Charmley nominated Brain Tumour Research and Lingen Davies Cancer Fund as their chosen charities and following the show, a £1500 donation was made to each. A donation was also made on behalf of the dog show to Guilsfield Church to fund their community projects.

The Guilsfield Show committee strongly believe we are a community led event and we are always looking for people to join us. Many hands make light work as they say! If you have ideas to benefit the show or want to volunteer some time, please contact Fiona on 07561075137. We would love to hear from you.

Show President for 2025

Guilsfield Show is delighted to announce that Alexander Trevor will be the Show President for 2025

Alexander grew up at Trawscoed Hall in Guilsfield and after working away for 10 years, has recently moved back with his family and takes a great interest in events in the local area. The Show Committee was delighted when Alexander accepted the invitation to be our 2025 Show President.

Alexander has chosen Wales Air Ambulance and Guilsfield School PTA as the Show Charities for 2025 and we look forward to working with him in the coming months to make sure we organise a successful Show.

Dog In Cars On Hot Days

- When travelling to the show please consider if the route to the show is on a busy holiday route and leave earlier to avoid increase time in traffic jams.
- If your car is not air conditioned, seriously consider whether travelling your dog in a car to the show is a good idea.
- The vehicle should be as fully ventilated as possible. Plenty of stops should be taken en route with lots of drinking water available.
- Ensure your dog is not sitting in direct sunlight. There should be plenty of free-flowing air around your dog.
- Never leave your dog in the vehicle when parked.
- Keep your dog in the shade – if necessary, take your own shade (eg. A large umbrella) and have plenty of water available for your dog to drink.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.
- Remember your dog is very likely to feel much hotter and dehydrated than you and this could lead to dire results.
- Please look after your dog's welfare at all times.
- **If your dog is found to be at risk, forcible entry to your vehicle maybe necessary. Guilsfield Show will accept no liability for any damaged caused.**
